「創意媒體禁毒青年計劃」之目的是協助參加者認識濫用藥物對個人、家庭和社會的影響。參加者將運用在工作坊內所學習之技能及知識來宣揚禁毒的訊息。

本計劃獲得禁毒基金資助，並由香港理工大學電子計算學系、警務處西九龍總區防止罪案辦公室及西九龍護青委員會合辦，讓青少年與家長認識藥物及一起探討濫藥的禍害，參與本計劃之同學可藉此機會運用「互動錄像」、「電腦動畫」和「電腦遊戲」等技巧把遠離毒品的訊息生動有趣的展示出來，共同創造一個無毒品的新世代。

參與對象: 中四至中六同學

“Drug Abuse Resistant Teens (DART)” is a collaboration between the Department of Computing, Hong Kong Police Force Regional Crime Prevention Office (Kowloon West Region) (RCPO/KW) and Kowloon West Youth Care Committee (KWYCC) which aims to introduce the harmful effects of drug abuse to students and parents.

The DART project will focus on helping participants understand the consequences of drug abuse on oneself, their family and society. Skills and knowledge for developing digital made/multimedia projects will be introduced, so that participants can present and express their anti-drug messages through the digital media as computer games or multimedia deployed at their own schools. The students will work together with different secondary students on the game multimedia projects under the guidance of university staff and anti-drug professionals. This collaboration opportunity is expected to generate mutual benefits for participants. To further encourage inter-school educational exchange on the anti-drug topic, the project team will organize a
