

1/3/2011-30/8/2012

**“Drugs Zero!” Anti-drugs Project
BDF100042**

Buddhist Fat Ho Memorial College

Project Content

1. Drugs Zero! Ambassadors' Workshop
 - 12/2012-6/2012
 - School

 Project Content

2. Drugs Zero! Non-Chinese Students Dance Training

- 3/2012-7/2012
- School

 Project Content

3. Drugs Zero! Adventure Camp

- 22/3- 26/3/2011, 31/3- 4/4/2012
- Sai Kung

 Project Content

4A. Canoe Training (1-3 star award training)

- 7,13,14/7/2012
- Tung Chung

 Project Content

4B. Sports Climbing Fun Day

- 22/6/2012
- YMCA of Hong Kong King's Park Centenary Centre

 Project Content

5. Drugs Zero!
Comic strip contest

- 17-30/10/2012
- School

Buddhist Fat Ho Memorial College
佛教授可紀念中學

DrugsZero! Comic Creation 四格漫畫作比賽

Name: 譚新濤 (26)
Class: 中A

Title: 惡魔

 Project Content

6. Drugs Zero! Campus fun day

- 28/6/2011
- School

 Project Content

7. Inter-house News & General knowledge Competition. (Anti-drugs Quiz)

- 21/6/2012
- School

 Project Content

8. Summer Camp

- 17-19/7/2012
- Tai O

 Project Content

9. Drugs Zero! Video clip contest

- 12/2011-6/2012
- School

 Project Content

10. Drugs Zero! Community Carnival

- 4/7/2012
- School

Evaluation on Output Indicators

	<u>Description of Indicator</u>	<u>Target Population</u>	<u>Output Achieved</u>
Output indicator 1	80% of the students complete the "Drugs Zero!" dance training (15 x 80%=12 students)	Non-Chinese students	14 non-Chinese students have completed the training

Evaluation on Output Indicators

	<u>Description of Indicator</u>	<u>Target Population</u>	<u>Output Achieved</u>
Output indicator 2	80% of the participants complete the Drugs Zero! Students' workshop, adventure camp, campus fun-day and community carnival	Students that participated the Drugs Zero! Students' workshop, adventure camp, campus fun-day and community carnival	Drugs Zero! Students' workshops 25 students have registered for Drugs Zero workshop, 20 of them had 80% attendance (The expected no. of student who complete the workshop is 20)

Evaluation on Output Indicators

	<u>Description of Indicator</u>	<u>Target Population</u>	<u>Output Achieved</u>
Output indicator 2			<p><u>Drugs Zero! Adventure camp</u> 23 students have completed the adventure camps (The expected no. of student who complete the adventure camp is 20)</p> <p><u>Drugs Zero! Campus fun-day</u> 300 students participated in the activities (The expected no. of student who participate in the fun day is 400)</p>

Evaluation on Output Indicators

	<u>Description of Indicator</u>	<u>Target Population</u>	<u>Output Achieved</u>
Output indicator 2			<p><u>Drugs Zero! Carnival</u> It was a whole school program, around 350 students took part in the carnival. Moreover, 200 people from the community had played the game booths and watched the performance. Altogether 550 man-time (The expected no. of participant for this activity is 800)</p> <p>Overall 72% of the target achieved</p>

Evaluation on Output Indicators

	<u>Description of Indicator</u>	<u>Target Population</u>	<u>Output Achieved</u>
Output indicator 3	70% of the parents attend the "Drugs Zero! parents workshop (21 parents) , and 70% of them will be able to participate at least 2 times of the anti-drugs activities (15 parents)	Parents	Unable to secure parents' participation due to remote location. No spending used

Evaluation on Outcome Indicators

	<u>Description of Indicator</u>	<u>Evaluation Method Used</u>	<u>Achieved Result</u>
Outcome indicator 1	Participants' attitude towards drug abuse (70% show improvement or statistically significant improvement found by paired t-test)	Evaluation Question Set No.1 (pre-test & post-test)	Statistical significant improvement in students' anti-drug attitude found

Overall evaluation of the project

1. 提升學習自信，予學生發揮潛能的機會，建立學生反思習慣，啟發學生訂立人生目標，回饋社會。

- 25名學生完成『 Drugs Zero! 滅毒先鋒』訓練工作坊
- 23學生完成外展歷奇訓練。

凡參加了Drugs Zero活動的學生都參與過校內及社區內最少一次的社區抗毒教育活動，推廣健康生活訊息。同學均表示透過禁毒工作坊，他們的自信心增加，亦開始為自己訂立人生目標。

Overall evaluation of the project

2. 師生互勉，結為成長夥伴。家校合作，促進親子溝通。

-由於本校的家長都在區外工作，家長的禁毒工作坊未能成功舉辦。但我們透過Drugs Zero! 社區嘉年華、學校網頁宣傳、家長日的禁毒短片播放，都能讓家長有機會參與禁毒活動，了解健康人生的訊息。

-另外，師生同樂日、社際時事禁毒常識問答比賽、短片比賽等都有賴老師的參與及協助。因此老師對推廣健康校園文化有極大的幫助。

Overall evaluation of the project

3. 透過紀律訓練，讓學生學懂堅持、自律、面對逆境，引誘時能作出自決、抗逆惡劣環境，從而培養無懼困難與挑戰的勇氣。加強獨立思考及分析能力，從而讓學生有足夠能力抗拒及遠離毒品的禍害。

-參加過Drugs Zero活動的學生都認為健康生活樂趣無窮，透過學生禁毒工作坊、外展歷奇活動、獨木舟、攀石訓練等，他們的自信及抗逆力提升，並運用正確的方法面對毒品的誘惑(逆境)

Overall evaluation of the project

4. 讓非華語的學生能有更多與本地的學生接觸和溝通的機會，使他們儘快融入社區，了解本土文化，減低文化衝突，從而抗拒各種不良的誘惑。

-16位學生(14非華語2華語)學生完成『Drugs Zero』舞蹈培訓計劃，並參與最少一次的Drugs Zero禁毒教育活動。參與舞蹈培訓的學生都在嘉年華中有舞蹈表演，他們表示非常珍惜那次表演機會，他們的自信心及對校園的歸屬感大大提升，亦有信心面對未來的挑戰。

Conclusion

- 學生透過參與各項活動，提高了對毒品禍害的認識，同時也可把毒品對人的禍害的訊息傳播給他人。
- 而在此計劃中，最重大的得益便是使一群非華語的同學更認識抗毒的重要，同時更可使華語及非華語的同學更能一起參與各項活動，使非華語的同學能更快適應香港的文化。

Expectation

- 希望禁毒基金能給予更多撥款給各社福機構或學校推展禁毒計劃。
