## ***Experience Gained***

- Connection with children and youth is key to success in the projects related to ethnic minorities
- Family participation in early identification and intervention towards drug use is essential

## ***Conclusion***

- To conclude Check Point!- One Step Ahead – Ethnic Minority Teenage Beat Drugs Projects is a successful project towards building up the anti-drug ideas in the ethnic minorities children and youth hearts.
- Moving forwards, we would like to introduce more interesting way to approach and spread the anti-drug visions and ideas.
